June 12-15, 2017

Camp Application

COLLEGE OF
MUSIC

Clinicians & Instructional Staff – Michael Hernandez, Camp Coordinator

Paul Rennick - UNT faculty and Caption Manager for Santa Clara Vanguard Drum and Bugle Corps.

The teaching faculty is composed of UNT Drum Line alumni who are instructors for high school, college, and Drum Corps International programs.

Eligible Participants

This camp is open to high school students who play battery percussion instruments in drum line. This includes students going into their freshman year in high school.

Instruments

The camp does not provide instruments, sticks or mallets for students to use during camp. Students should contact their school to borrow the equipment needed. You will need a drum, marching carrier, sticks and optional instrument stand.

June 12th Registration and Check-In

Registration will take place between 8:30 and 10:00 a.m. on Monday, June 12 in the Clark Hall Dormitory Living Room. Students will be able to put their belongings in their dorm room at that time.

Auditions

On-site auditions will take place in the Murchison Performing Arts Center beginning at 10 AM on 6/12. Participants need to take their drum/carrier/sticks to the Murchison Performing Arts Center. Follow the signs outside the dorm.

Auditions will include standard warm-up exercises and rudiments that will place each student in sections based on technical ability and experience. Adjustments can be made if determined necessary. We try to keep students from same schools together in ensembles, but varying skill levels will be the final determination.
