June 10–14, 2018

Clinicians & Instructional Staff

Mark Ford - Host
Matt Penland - U.S. Air Force Band and staff member Santa Clara Vanguard
Paul Rennick - UNT faculty and Caption Manager for Santa Clara Vanguard Drum and Bugle Corps.
The teaching faculty is composed of UNT Drum Line alumni who are instructors for high school, college, and Drum Corps International programs.

Eligible Participants

This camp is open to high school students who play battery percussion instruments in drum line. This includes students going into their freshman year in high school.

Instruments

The camp does not provide instruments, sticks or mallets for students to use during camp. Students should contact their school to borrow the equipment needed. You will need a drum, marching carrier, sticks and optional instrument stand.

June 10th Check-In

Check in will take place between 3:00 p.m. and 6:00 p.m. on Sunday, June 10 in the WEST HALL Dormitory Living Room. Students will be able to put their belongings in their dorm room at that time.

Auditions

On-site auditions will take place in the Murchison Performing Arts Center beginning at 6:00 p.m. on Sunday, June 10th. Participants need to take their drum/carrier/sticks to the Murchison Performing Arts Center. Follow the signs outside the dorm.

Auditions will include standard warm-up exercises and rudiments that will place each student in sections based on technical ability and experience. Adjustments can be made if determined necessary. We try to keep students from same schools together in ensembles, but varying skill levels will be the final determination.
